

HOLE IN ONE SPONSOR \$4,000 dlls

Through the present we put to your consideration the "Plan of sponsorship" for the DIAMOND BACKS CHARITY GOLF TOURNAMENT 2017

The Golf Committee has designed a very strategic program to achieve the publicity and promotion of your company and its products.

The Marketing approach:

- Presence of your Company logo in...
 - Main Banner in Clubhouse and Convention Center
 - Stand in Hole #11 assigned as hole in one
 - 3 minutes to present your company and appreciation at the awards ceremony
 - Delivery of the prize (if there is a Hole in One)

Event:

We will develop a first level event called DIAMOND BACKS CHARITY GOLF TOURNAMENT 2017 where your brand and products will be appreciated by our 72 local, national and international players.

The Counterpart:

The cost of sponsorship is a \$4,000.00 dlls insurance policy for a Hole in one on a Condominium worth \$250,000dlls

In short we will contact you to know your opinion regarding the present proposal, looking forward to hear any comments or suggestions, in order to achieve our objectives.

Sincerely,

Lic. Hector Vazquez
